Ryou Saenagi

Oh, I've been asleep.
!!!
"Yorozuya" manager Yoshikuni Shima
There isn't much time so I would like to discuss the details in person...
Name ...
Kaori Sugura, a girl.
Tomorrow, 10am at Nitigaoka park.
The bench under the clock tower

What!? I'm not crazy and I don't need help you
No, no, no
Even if she's a beautiful actually I might
Hey
Sorry
we will have the same magazine as each other' is all right to recognise each other but theres no girl like that here.
I WAS FOOLED!!
And it's 10am now That bitch!
Hmm Sunoga Just because we're both from the same Tsukaidou area I won't forgive her

I'm late

My real name is Kaori Segawa
That is me too!
Same face as the instructor
!?
I changed the reading of 'Kaori' to 'Kyou' so he got my middle name.
How
You wrote Kaori so I thought you were a girl
You were well recycled on the net so I sent a request.
I'm Yoshitsune Shima from Yoroiya.
That's why I hesitated to approach you but then you called out my name.
You haven't told your name
If you've going to say that you look like a former high student
Stop
So moving on, let's hear what you want exactly
Somebody who's a popular model in CM DRAMA, Ryou
Ryou

All right Kamichan
He's a difficult guy
I don't want to be called Kyouya
The first part of our fan letters have been sorting the office
They sent us total love letters, proposals—most of love and like them at first
this week, there were 30 letters
The sender is "Snowman"
This is it
Snowman?
Then next time was a letter saying he had my school the figure!
A snowman eh
Maybe it's about something
Any ideas?
None
Second part— The receiving silent prank calls every day to my apartment
I don't know
Silent? And the letters go to the office!
mas to be got the mem- ns from the direc- tory p- ly

Don't smoke in front of me.
I have one thing for say
Yes. And that is the situation. I want you to find this snowman persons
Having you environments, I know have inconvenience, all the night?
It was all in the manga crime shop
Eh!?
How old
Anyway, aren't you younger than me?
Sure
Sorry
18
seconds
Yes, I'm two full years older than me
Anyway I'll start by checking out your house

Not long, he kicked in minutes, all men
Sakiya-san is very skilled
Because my old partner's detective
Wow!
Yep.
Well a mystery. Keep the mail items and go to the office.
Sees me there are people who go through the ... I'll go, you would take that to the agency too.
If you're okay with it. I'd like to observe things while getting paid... in your free time, of course.
Is anything ... okay?
A mega before I thought would be
Well, you had the whole idol image going
You know
I've been "ch chan"
You've normal all over. Like talking to a friend
Why?
So I said
Ahh, weren't offensive?
No,

Yep, he's a model! Good at attracting people's eyes
By the way, do you have a girlfriend?
No
Why?
What?
That's chill cuz Yukimatsu wouldn't allow it.
If you had a girl then maybe the stalker would give up.
Yukimatsu
He's funny my mood is open since my default and he's really kind.
Well right now there's no girl I can be in.
Oh my--sure, would like for you to just call me Akumi.
HEY!
What if I had a girlfriend my love the stalker would switch to--
Wh-What??
Jump of surprise

You have a fairly cute face...
Hm
Shima-san
After all Shima-san you said if I'm mean as a girl friend like that I might break up right?
WAIT WAIT WAIT !!!
The... The... could be done fairly easy
Well, some light exercise, we could make it work.
That's right Shima-san!
And if all goes well we might be able to find the stalker out!
Hands off chin
Tomorrow there's a film night at the office
Oh good morning Yukinoshita san
Kyna

Yoshitsune Sir ma I'm Kami-san's g ifriend!
Nice to meet you!
Oh I'm g it's my-
?
Who's that g irl behind you?
She's not staff
I'm sorry
You're late, the 12:00 shift is now 5 minutes behi nd
Calm ant cute and Gacki-chan I kes me
Weigh- N-no, bully Xi ma-san is
C ifiend! Know the you
Blockhead the enemy may be anywhere, listen ng
What is it Si ma san?
And a le m screen mes be the most hamatte th ng
To find the enemy, first you find your friends.

He wasn't as strict as Kaori said it was either
Fine. It's alright, if you're serious
That was almost too easy
And the studio inspection was relaxed at letting me past
It would be easy for a fan to sneak past
still... something smells funny

Atsushi Miyazawa
Greetings
I'm modeling for the same agency as Kyou
He's a different person
It's like
Kyou ?
Hey You Kyou's girlfriend?
Eh?
Surprised?
At Kyou's transformation

He's quite famous in the field
Started modelling when he was 10 and he's come lots far
Exploitation of talent I suppose you'd call it
Even when I look at it I long for it
Coming
Later!
Akisuki come on to
That smell instead before was perfume. It's all over the studio
Kyou It's the best seem ever!
I hate perfume
I hate

On that subject, Kaori wasn't wearing any
Phew!
What the !!
A piercing gaze!!
I can feel the hatred
YUKINO&V!!
what was he
Hy

Finally Open
After you close the door
Kaori-chan!
Can you tell me everything you knew about this Yukinobu guy!
No well
What happend with Yukinobu
What's this?
His time in a manager began with me s x years ago and he has since been looking after me
Yukinobu Yagami University graduate, aged 30 now employed by single this agency
W-wa
H's hobby is watching movies I think
Do
knowyou

Because I've been working since I was little I haven't had much time for fun
The other person who appears at work
I am Kyou
It was about this time that I Kyou appeared
There was a time I very much wanted to escape from modelling
That's why -
I try to separate the time of 'Kaori' from the character Kyou
But now it's just easier to continue this work by hiding.
There are some unpleasant parts to business too
Because the one who wanted to meet Shima-san was Kaori
But the one 'Kaori'
The one I wanted you to see was not the model Kyou

I only worked to get money
Not somebody you would have expected
Not so
I wondered what kind of person it was who did this "Yorozuya job"
And I just happened to have a reason for requesting
It's simple
Why are you saying all this?
I don't have anything
Shima-san said that Kaori was ordinary
What are you saying?
You saw me as "Kaori-chan" and wished you'd
Just that is enough
Have the same laugh
When Kaori-chan died, you
You're wrong
It wasn't like this guy caught my eye because he was a model
It was the gentle eyes and laugh that drew me
Kaori-chan and Ryou
The gentle expression like my dad's.

Make you...
Both of them together
At the time an arsonist was burning things. My father was part of the investigation
The arsonist always struck at night. Many people were fast asleep in their beds and died
Don't run
You can't just run
I'll try hard too, you know.
My house was no exception
Two years ago, my house caught fire
My mother and father got me to escape
Telling me a gentle lie
Trust your father

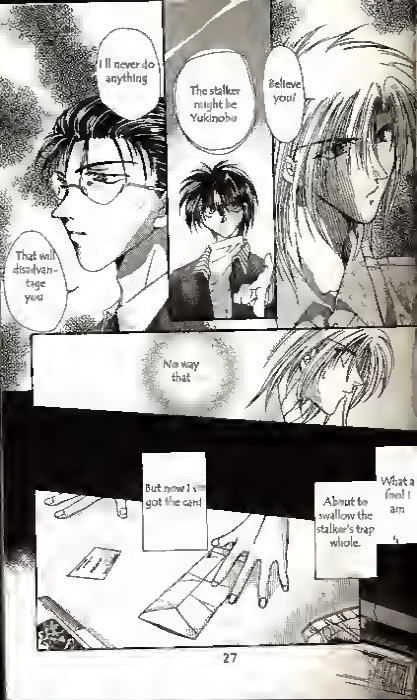
I – I'm sorry
And they died
That's why you didn't like it when I smoked before
It's probably a bit hard now but –
Let's keep going
I understand

When work's over I just turn back after a while ^^
And you've turned back to Kaori somewhere
Calmed down now!
Oh yeah Yukinabu!
What will you do, Shima-san?
We got a meeting with Yukimine to discuss my schedule soon.
Yup
That Yukinabu might be the stalker
There's a possibility here
What!!
What's wrong?
?
Kyou let's go
FEYOW!
It's like the snowman's part. Coz Yagami is a genius maybe top of the line, 'five eight' and 'god isn't it'
The figure-eight can be thought of as a snowman's shape, and
No no it's nothing

Oh yeah, and –
I might be a little hungry
I'm alright
I –
Your face is looking pale?
You hear?
Take it easy
Yagami Yukinobu = Snowman
I'm sorry about this but could Yuki I sure can go home first?
Haaaai!
I'm not sure when we might finish
And thankyou for Kaori-chan!
Kaori looking from me to me
Yukinobu's possessive-ness = snow
and Yuki towards Kaori is particularly strong
His glances at me are overly harsh now
As his manager having access to his phone number and schedule is only natural

That guy's a little worrisome. You'd better be careful
Yes. Thanks!
Aaay
Whew, so relief for worthy foe Kyou's girl-friend.
oh-ho
Kyou-san's got fetched by Yagami-san didn't he!
Say what?
Hey Shima-san!
Hi Atsuko
Oh right, it's you! Who are you again
And here, I'll introduce myself again
Nand, to ask around though
Say! a little while ago, I got a gl rupee inside a notebook that Yagami-san had dropped
Kanri?
And then there was a photo of Kyou inside
Uh huh. So yeah it was a suprise when Yagami-san allowed Shima-san here.
When until now he's been saying this and that about his image going down

I only got it just then, so I've got one here ^^
Here you have Yuumi-san's mail!
Uhm I might have lost mine around.
Here
Thankyou
She speaks like a boy.
Really? I'm fond of the type.
OK, see you again!
Sorry, I'll have to head. I'll pass.
I'm going to borrow the mail.
Do you want to have lunch with us?
Here you are
Thankyou
Kyou
I'd like you to believe me



I'll never do anything
The stalker might be Yukinoba
Believe you!
That will disadvantage you
No way that
But now I've got the card
About to swallow the stalker's trap whole.
What a fool I am

I really got it! I can show so I've got one here
Yumi-san's card!
Um, I might have had one around.
Here
Thankyou
YUMI YUMIMORI
Sorry, this times precious, I'll pass
I'm getting to be more like that.
OK, see you next time!
Do you want to have lunch with us?
She seems like a lady
Really! I'm fond of this type.
Here you are
Thankyou
Kyaa
It's like you to believe me

八神幸介
In Yukinobu's name, the character for 'Yuki' isn't the character for 'snow' –
But it's written with the character for 'peace'
The stalker only heard the name and thought it meant snow
This snowman that the stalker used
The stalker's made a fumble
Instead became a hint
It's getting narrower
It's somebody in the agency
But somebody that's not Yukinobu!

THAT BASTARD!!
Now all that's left is to find the model of computer that typed this letter and
use the post dup to find the town
Even if you that his card you probably wouldn't remember by seeing it once.
I wanna nother clue
No
DAAA!!
Shima-san
Morning

Yeah!
Right then I'll be back soon. Just go do your work
What? Wait
Kyuta
We've got to visit the magazine viewer
Was that Yoshitsune then?
Um yeah
Something about "The Mystery's Solved!"-!
.....

Yo!
Thank-kyuu
All right, short Dude
Sherma chan
Hee Hee
It was in your bag
I wonder why!

There's no post stamp
Because Kyou asked me and I was helping him find the
BINGO
Oh well
Well, it starts with snowman
I'm guess no you can't write Yagami's first name correctly
What made you start suspecting me?
"Yakiwaku" is written using the character for "bake" followed by "another"
And then the perfume you use.
Perfume!
You got me
Well well

Kyou is used to that scent so he doesn't notice but
And the last letter which was sent had
Many people wear
Your one's perfume slightly different to the others.
I'm not a fan of perfume so I noticed quickly.
That scent drifting out.
Amazing Just like a dog
That's why you're gone.
I just asked the staff and your brand isn't for public sale almost impossible to get in this area
And of course the only person with it in the studio is you
It's Kyou's fault.

There's no way I should be losing to that schizophrenic freak!
I've got more talent!
More popular that me
Because he goes and sells more than me
I keep thinking that
"If only he just quit modelling.
But he just kept going with no hint of stopping
He should just hurry up and quit!
Are you dense!

You cry and whine that you're much prettier
But really you know don't you
SHUTUP !!!
THAT GUY DESERVES EVERY BIT OF ATTENTION
If I take you from Kyou, would he cry?
What're you saying?

You don t think you should just listen to what I say!
it's hot
Dad!
Mum !
Can t breathe
Especially if you don t want your pretty face burnt
Save them! My mum my dad

We'll be right behind you
Trust your dad
Lie
I know that's a lie dad
Why did I survive?
What am I supposed to do now, by myself?
Mum, Dad!
I'm pleading, just take my hand!

Don't leave me alone
It's alright now
I'm here now
A large warm hand
Shima san
Everything's alright.
Kaori

And then an amazing flying kick
You broke the door
Cuz, all that and you take the big lead
Shima-san why do you sulk?
That's one story over and done
Sniff
What a cute
Ehe he he.
And it was Shima-san's true moment of crisis
Oh yeah Yukineba was apologizing
Saying sorry I suspected you
Hey!

Yeah that department's a pretty competitive shit against criminals
What of Atsushi then?
Yukinobu-san was thinking Shima-san was the stalker
The photo in the notebook was because his sister is a fan
And then that you might become a serious girlfriend worried him
It's not unusual
The police don't know
They were quite regretful about it
I get it. So that's where he got all the hostility
Great, misunderstanding shit
Atsushi used a different method to escape
I wanted to avoid people like that and that's why Kyou was created
I thought we were getting on fairly well but it wasn't so
Maybe it's just that I was being unfair

It's not unfair to run away
To keep looking at the past
To be unfair is to keep running away
The competition s from here
If we start to run away, we can give each other a push

What're you saying! Am I aren't your boss!
WHAT?
Oh, by the way – I really want to get a side job at Yorozuya
Manager...
And if you let me have the side job I'll shout you lunch
You're moving up in the world!
I'll be fine. And then you'll become manager!
What!
OK – I suppose I have no choice
Then our business will be called 'Yorozuya Toukaidou Honpo' (Jack of all Trades Eastern branch) and thus! It starts
Shima –san
Yorozuya Toukaido Honpo/End

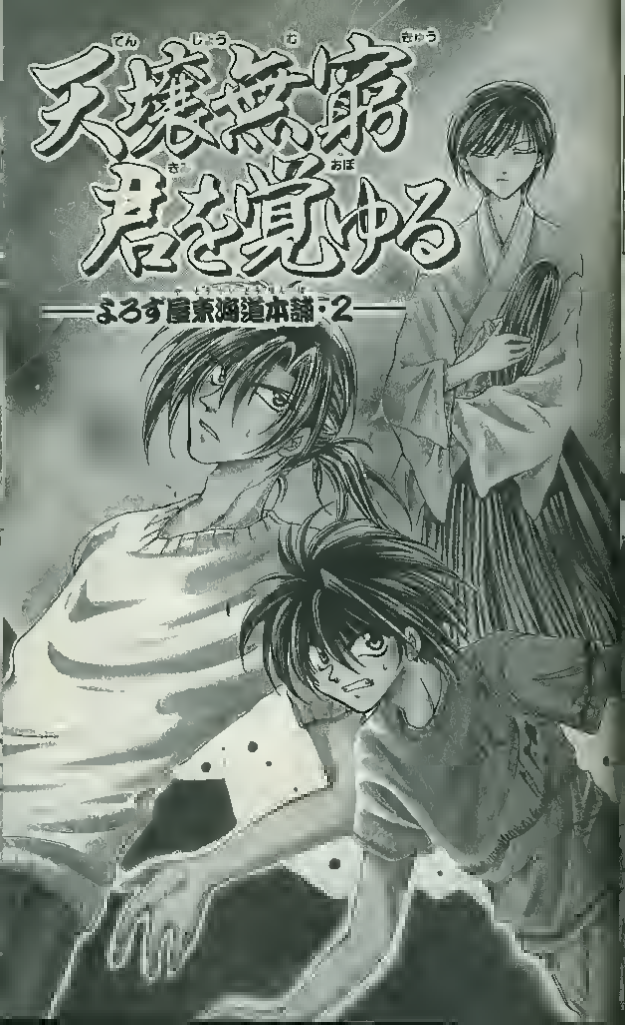
天壌無窮君を覚ゆる

——よろず屋東海道本舗・2——



Like they said, it's really scary at night
Like something could appear any second
Is someone ... there ...?
What's this?
Kya !!
KYAAAAAAAAAAA !!!!!
GHOST !!!

Ghosts appear in the Tochigi History Town Museum
After making sure there are no requests from the Yorozuya home page we made our way here
These rumours were drifting around the net
Wow it really is just like the Edo period
Yushitsune Shima (18) Yorozuya Toukaidou Honpo Manager
Shima saaan
What?
I got informa-tion from the weekend rentals while I was there
On the north bu lding's first floor there is a mansion called the Bengara ans on
As you go the there from the p ne hallway you pass through
Does this suit?
Kaori-chan, where did you
Kaori Sumiya (18) Yorozuya Toukaidou Honpo Part-time worker Primary job : modelling former client

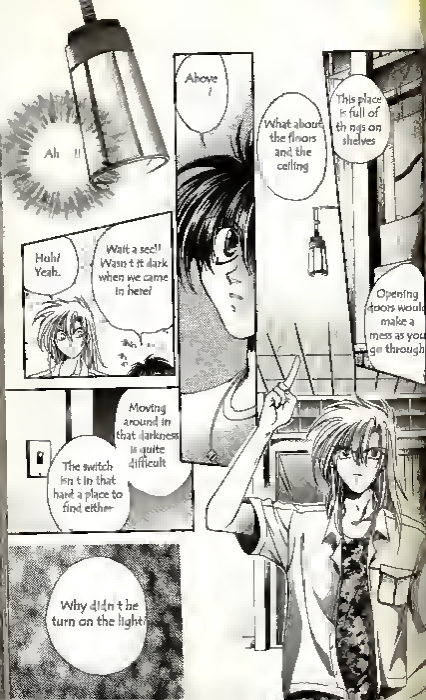
"A ghost"
There's a split in the hallway which leads to no room and has no meaning
And there a boy appears wearing a samurai Yukata"
A dead person's spirit
And suddenly disappears
But you came to investigate even though there's no request
it's just some curiosity
The first one I saw the impossible
So this is it
The pine hallway
Just what am I
What the hell am I anticipating
I thought of my parents who died in a fire two years ago

So where's that meaningless hallway?
We're well into the open-ing time now. If Kamei-chan gets found the media will be all over you
I think around here somewhere
!!

!!
Shima
-mm
No
Wai...
A boy in samurai clothes...
Because it's dark here
And don't you think a meaning-less hallway is a bit odd?
But those people said in front of their eyes
As ghosts
There shouldn't be such things
Most likely, there's a hidden door

What the
It won't open!
What!?
Ah, it's a dead end
Now
Totally dark
Ha!
It's a sliding door
Shima san
Geh!

A
A doll? Just a doll
(Yuri, surprised as)
What's this?
The artist's trade mark?
Maybe a hidden door here as well?
Yeah that's right we just came through the only door
Eh!
Shima-san
What about the key?



Ah !!
Above
What about the floors and the ceiling
This place is full of things on shelves
Opening doors would make a mess as you go through
Huh? Yeah.
Wait a sec!! Wasn't it dark when we came in here?
No, I...
Moving around in that darkness is quite difficult
The switch isn't in that hard a place to find either
Why didn't he turn on the light?

There was no need for it.
.....
He had really disappeared
What? He wasn't holding a doll?
But the dolls in that room were all male
How about this after the girls saw him
The boy's characteristics were like they said
Oh, poor dears!
the boy went and fetched the doll from the hidden room
Yes, it was dark, but something that big we would notice
When we saw the ghost it wasn't holding anything
One of the founders of the History Village Museum
President?
Morning
Excuse me —!

Ogata Hajime
The founder of the History Village Museum
The village and the designs for the buildings are all his
I'm just the person who helped him
Oh, I'm sorry
I am the president, Samusuke Yamazaki. Did you want something?
Actually, I'm
What is it child?
What?
The finger-marks that were on the doll's
Huh? I thought you name would have the character for one
?
Are you talking about Ogata-san?

But sadly he died a year after the buildings were completed, in a traffic accident.
Shima san is he all right
An accident
Too slow!!
Myself it took me seven years to notice
But truly you found the hidden talent well
Ogata-san was very skilled with his fingers and made many things from dolls to kimonos
Especially in the area of painting he showed very broad talent.

It was displayed high up in the room of the hidden door
'Suzu doll'?
And amongst that, the doll he made to sent to his beloved Suzu-san
the Suzu doll was very beautiful
Now you mention it, he always signed his artwork with his signature
Before he died he said
During your birth month I thought of a spectacular gift for you Suzu san
The other is still a suprise.
Then without waiting for it, the accident happened
One is the Suzu doll
That shouldn't be so
But there were no female dolls in that room?
Of all things her lungs had gotten weak, and she it gone back to her home town to recover
Even now, we don't know the address and have been unable to pass it on to her
And when it was finally found Suzu-san had already left the area
Without ever realising the Suzu doll was on the other side of that hidden door

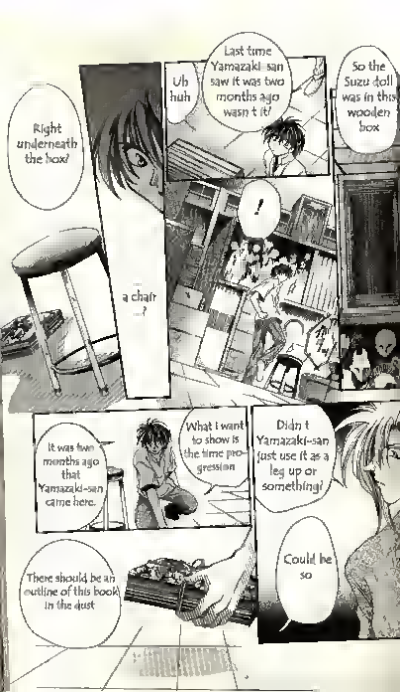
Kaori-chan
This is
that boy!
Yamazaki-san, do you have a photo of Ogata-san and Sozu-sen?
Oh yeah
Even now I keep it with me all the time

The thing is the reason we found the hidden door is because we were here on the rumours about the ghost
Are you saying that ghost is Ogata-san ?
No wonder we didn't see anyone like them around !
And this girl too! She looks like the doll he was carrying!
Hey hey
What are you talking about?
They look very close
It was younger than in the photo, but
You will be say, Hisoka
That he couldn't deliver the doll
Ogata san
It's a spectacular gift.
Must have caused him much sorrow

Shima saaan!
Hi.
You've been out of it since before we came here
Actually
Even before that
That I
—san.
What the hell am I getting?
My mum was saying she was going to go shopping the next day with her friends
Dad was a detective
He was in the middle of an investigation
I wonder what my mum and dad's regrets were?

There are no such things as ghosts
But even as I think that, at the back of my mind
I also wish that boy is a ghost
And I
But if they appeared
maybe I could meet my mother and father
anticipate that
They haven't moved on
It means that

that I'm absolutely sure I'm not wrong about.
But there's one thing...
The fact that Shima-san is living happily like this
Takes away one of their worries
...
Let's give Ogata a push to the afterlife, shall we.
...okay.
There's something that bothers you isn't there?!



Right underneath the box?
Uh huh
Last time Yamazaki-san saw it was two months ago wasn't it?
So the Suzu doll was in this wooden box
a chair...?
!
It was two months ago that Yamazaki-san came here.
What I want to show is the time progression
Didn't Yamazaki-san just use it as a leg up or something?
There should be an outline of this book in the dust
Could he so

So that boy was actually a ...
See, this book looks funny just placed on the ground alone.
Something like he move the book to the floor so he could use the chair.
There isn't.
... which means it was moved only recently
That would be correct.
human
Then that time he disappeared ...!
We investigate that from now
Found you!!

Oi! Wait!!
JUST KIDDING !!
So it was in here!
This time, definitely

Isn't this the pattern where you would let them off?!
Shima-san big hit
The trick's been made!
Nice to meet you
We're from "Yomezuya Tsukaidou Honpo"!
So Suzu-san was carrying Ogata's child
When Grandma moved back to the country she was pregnant with Ogata's child
In other words my father
I'm Suzu's grandchild
I'm Yuu Saitou

Since long ago she's been in and out of hospital
Grandma often said
There's a doctor there who specializes in respiratory systems
So she transferred there last week
Nearby
?!
Where's Suzu now?
In a hospital nearby
Even after my father was born she never married and kept alone
that she would return to the place of many memories ... the history village museum
that if the sickness ever retreated and she could make long journeys again
This letter... you know
and then I remembered an old letter that Grandma showed me once
I want to do something for Grandma too
She's a little shaky but she's here now!

I recieved this letter from Ogata-sama the day before he passed away
What is this?
Please bring back to me
If you can't understand this no matter what
I've made for you the Suzu doll and one other creation
It took emphasizing to give it to you

The doctor said if there s another attack it won t be good
I will never forget it even if my memory starts to fade away
In the end I never worked out the puzzle or was even able to ask
So before that happens
I want to find Ogata san s other present
Ogata s death
Its stopping Suzu and Yamazaki s lifes
Grandma still worries about it
She can t let it go
but I couldn t understand the other puzzle no matter what

as well as Yuu s from seeing clearly
Do have the letter with you now?
yeah
This is it here
"The Body of Genbu"
"Genbu" is the God of the North
Inside the North building then
I was spotted by some female staff
I flustered about and dived into a wall and it turned on me
The first day I came to the History Village--
I'm holding onto this letter
You should go back to Suzu's side
Was it really an accident?
Shut up!!

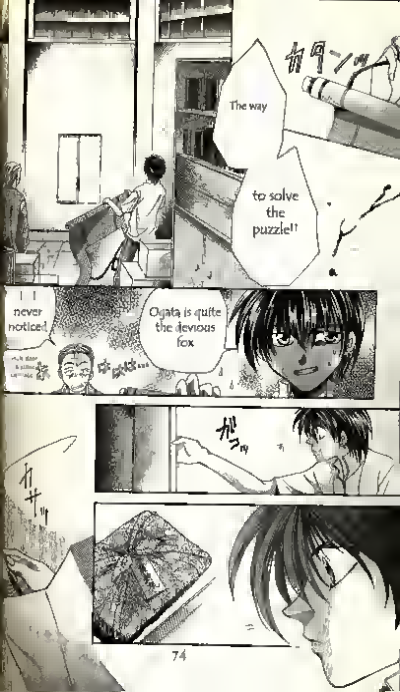
the reason behind Suzu's tears, of course
Because I understand
Leave the rest to me
Why ... all this me me?
It's late now so can Kaori-chan go with Yuu
And I'll work on the meaning of this letter
All right
weird guy

It must've been from just then
Oh!
I've bruised my leg
Shall we go?
Ah...!!
You id...
You Idiot!!
Quit it!!
yeah o.k
Ow!!
But you've hurt you leg haven't you?
!
Huh?

A-huh
A-huh
A-huh
Huh?
Put me down!!
You bastard !!
Day ?
Is that about a date?
no
Day could also mean sun or sun light
The second clue is "the artwork without day"
It's not "bastard" is it?
Yuu-chan?
Damnnit...
He's pretty good that Ogata...
wrong
wrong!
And this too!!
an artwork of the night
without day?
what night?
That's it!! A picture of the night

Surely he can't mean something he made during the night could be
Hajime" !!
Ogata-san always put his trade-mark on his artwork
The trade-mark's on the artwork
Even on the Suzu doll there was the Hajime trademark
I get it!! That wasn't day' but..
Ah...
The artwork without the 'Hajime' !!
I thought it was you Shima-kun
Yamazaki-san, you should help search too!

That would be...
The artwork with a trade-mark?
that hanging scroll
Oh?
though in a way the picture itself becomes the trademark
Eh?
'the way'...?
The 'O' from Ogata means things like... 'string' or 'the way' you know
what...? string?
But this picture...?
You're right
See? There isn't one
This!



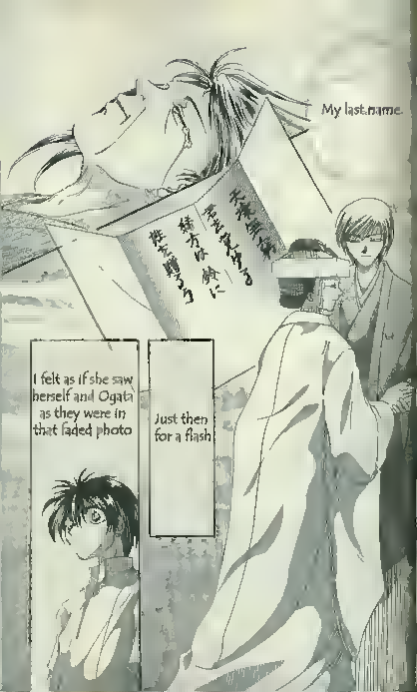
The way
to solve the puzzle!!
I never noticed
Ogata is quite the devious fox

My phone
ブルルルル
This is –!
Shima-san! It's Ina!!
Suzu-san's condition
Kaori–!
This isn't funny!
If she dies without knowing this
Na
Okay! I'm coming!!

I'll regret it.

...
I came here to deliver Ogata's gift to you!
SUZU!

Was this white dress and letter
The thing Ogata was speaking of
You're always in my thoughts
Let me
Send you



My last name.
I felt as if she saw herself and Ogata as they were in that faded photo
Just then for a flash

Suzu's last face was a smile
Thank you for everything
Take care, Yamazaki-san
Shima-san
Oh, Kaori-cha –
What's this? Yuu ...
Come here to meet you
Do you?
Have plans to ... come ... again?

I see...
Well I dunno
And lodging expences so then I could come over to me
but hey, if your place is okay
EH?

Shima-san, I'll say this
You-chan is a GIRL.
Oh what is it?
That's cute.
WHAT?
You're the one who assumed.
It's cozy you talk rough
If you're angry, try cleaning up a little, make Ogita's dress work on you.
Shima-san that sounds like a proposal
EH?

Hakamairi

Grave visiting in Japan usually involves clearing away leaves from on top and around the grave, pouring water over the headstone, and then lighting an insence stick. All Japanese graves have a small place reserved where the insence stick is stood up. It's usually directly before the headstone and it contains some ash to stand the stick into. There's also a place reserved especially for flowers. I suppose that's beside the box for the insence stick and in the form of a stone vase.

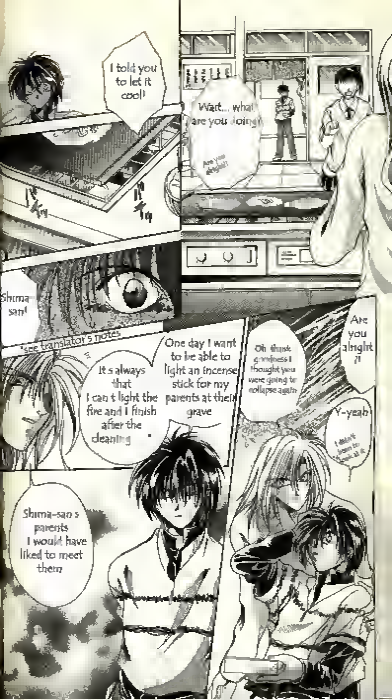
Geez... It's only open to certain people today and it's still very lively.
I'm Yuusuke Shimazaki, manager of Yorozuya Touka'idou Honpo.
Yorozuya...
...also known as an anything trade
...hat's right, he's actually the popular model, Kyou.
My class is doing Karaoke, so drop in sometime!
I will later ^^
If you keep doing nothing but work like that
Kyou is trying to go into full action.
I first met him as a client and he's become a friend of a partner.
It's been seven years since school recently because of that drama work.
Don't shout it. It's my first day off in a long time.
This is my part timer, Kaori Suruga.
Oi, Shimazaki-san
Geez, I was wondering where you could have got to.
Ah! It's Kyou!

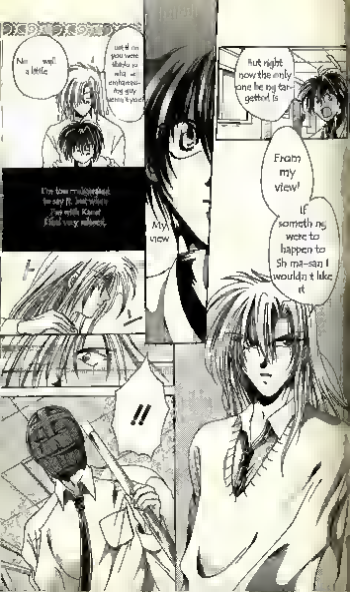
MAYBE I'LL ERASE AND REPLACE KAORI
If it keeps going like this -
So it is
Don't suck up to me blondie
Core When work doesn't go so well Shinji he comes out after all
Is it a little better now the double personality th ng?
You're more relaxed now Kaori-chan
Geh
Just kidding! ~ Kyou's impersonation ^ ^
If Shima san stays nearby then maybe he'll he'll stop coming out
Hey!
Ow! It's hot!
How about Shima san then?
Have you recovered!



I told you to let it cool!
Wait... what are you doing?
Are you alright?
Shima-san!
*see translator's notes
It's always that I can't light the fire and I finish after the cleaning
One day I want to be able to light an incense stick for my parents at their grave
Oh thank goodness I thought you were going to collapse again
Are you alright?
Y-yeah!
I didn't mean to scare you at all
Shima-san's parents I would have liked to meet them

I liked the way he thought too
Mum was bright and sometimes a little naive, and she was never lonely
Oh ...
Are "bad guys" and are hard to live away
Nishimura... those people who commit crimes
They have various reasons and thoughts
Even now I often recall these words
... he said
that was just how he talked
My dad pursued the pyromaniac even until our house was targeted
Dad was what I wanted to become
Ah
I remember. A mail to Yorozuya arrived, wasn't it?
By the way this is what I told you about

Prediction 1
"Unless you come to the fate a misfortune of "La Tour" and Jehova's will fall upon Kaori Suruga
Well, the one I'm worried about is the second one.
This one that arrived yesterday.
I thought we can make it, but the first one followed through.
But I never thought that this fate was Kaori's school's fate
This arrived first, a week ago.
And negative rumors began to flow about Yamazuya.
Prediction 2
"A misfortune shall fall upon Yamazuya shop."
The next day someone broke a window.
They're asking for it
Look at what your saying! Shima. You've been put in this by my fault.
You lose you temper too easily.
I've mentioned Shimaken to my friends
There's no mistake this person is a student here.
And then that this person knows we are acquainted.
The part where this fate is misfortune!

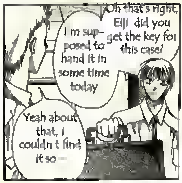


Nn... well, a little.
I'm too ashamed to say it, but when I'm with Kaori I feel very relaxed.
My view
But right now the only one he is targeting is
From my view
If something were to happen to Shima-san I wouldn't like it
!!

Who the fuck are you!!!
Kaori!!
Wha-
And who is this dude?
Eijiron
This kid
What's with you? No need to get so heated up!
I've pulled out the sour of his name some and nicknamed him Eijiron
Sorry that's a classmate. Eiji Toumasu
Oh president
I have you found the weeys!

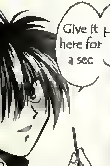
Oh, Kaori, you're already here!
I think it's been a month since you've been here
Who's that?
Kakido senpai!
We used to discuss lots of things about performing and he's looked after me lots
And Kaori's much more confident for it
I've been watching all of your series but really you've become very good
When I first met him, maybe because he was feeling down
He was curled round like a cat and sulking
Like a cat... was I really that bad?
Yes, I was a little worried
Have you seen him like that Shima-kun?
Why is he...
Now I haven't really...
Asking me this...!
smile
smile
Eh?

We rearrange two or three parts from the play, and we've come to this arrangement
Was that the part I turned down?
How is the drama performance doing?
Oh, is that right
It's suzuruh! This time it's the Three gun fighter and I m playing the part of the Iron Mask
hm
I'm sorry my schedule was full no matter what
But it was a pity you couldn t play it
It's just I wanted to show your acting to my students
Though unlike filming you can t retake a mistake
Ah

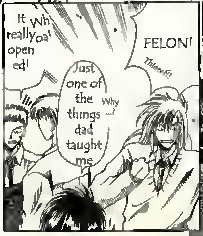


Oh that's right. Eiji did you get the key for this case?
I'm supposed to hand it in some time today
Yeah about that, I couldn't find it so—

I'll use this instead
Give it here for a sec
Hey

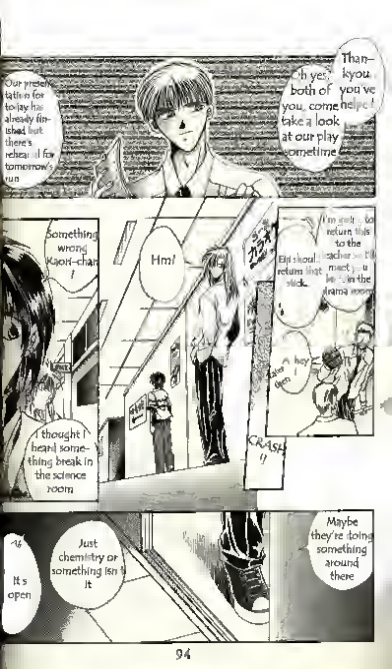


I just feel eased
What is it Shima-san?
Watching Kaori like this at school having fun
You look happy
Nothin much ~!



It Wh really? Yo! opened!
FELON!
Thanks!
Just one of the things dad taught me
Why ...!

Sh ma san no way with that hair n



Our practice today has already finished but there's rehearsal for tomorrow's run
Thank you, both of you, you've helped!
Oh yes, come take a look at our play sometime
Something wrong Kaori-chan?
Hm?
I thought I heard something break in the science room
I'm sorry to return this to the teacher's office
Eiji should return that stick.
meet you in the drama room
Hey Hey!
CRASH
It's open
Just chemistry or something isn't it
Maybe they're doing something around there

Excuse me, is someone there?
Hey!
Wait a se-
!!
!!
Kaori!!
Damn... it...

But where is this place storage basement ?
Kaori
Why d I have to go relax
and when the other party so kindly sent a warning letter
Uh
Thank god there s no infuty
Kaori
Tsumasu
Hey
You

!? He's taking Kaori!?
Why you wait!!
Shit
That's
Danger-ous!!
You crazy!

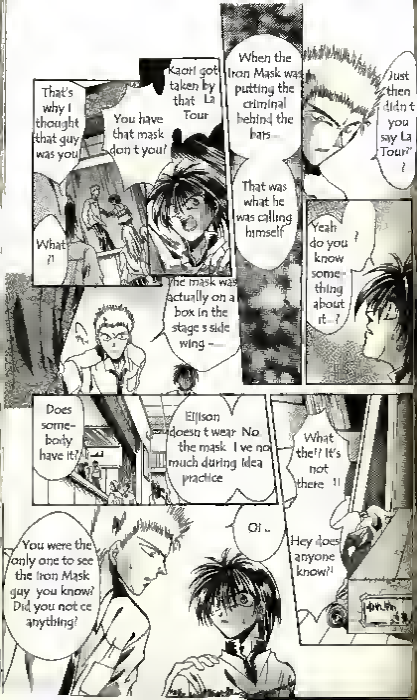
Bastard tell me why
Damn it, wai—
Ah—

Shit, this is bad Kaori s ..!!
!?
Ah!
This ain t funny
I m getting hurt
It hurts ..
And now Kaori s been taken away!
My hands hurt
Clothes are goners.

Ok then Eiji, next scene 23
He passes me off
Bastard
Where did you put Kaori!?
TOU-MASU!
I'll talk now of what I know of this prisoner
What I know is that I
There...!

Ha...? What's this about?!
That's a lie...
That threat mail, you sent it didn't you?!
No.. i haven't seen him !
Kaori!
Oi you
Shut up! This guy definatly did it!
I seriously don't know!!
I came here straight after we split up
I've already said
That medicine and La Tour thing you psycho!
What's this... I'm a mess..
That's wrong... There's actually no proof that guy was Eiji-san but I...
But it can't be... coz Kaori was definatly taken by the Iron Mask...
It's true! Eiji went looking for the key before
He's been here rehersing the whole time!
Just like that time...

Is only natural
If I reach out I feel like he's always there
That Kaori is nearby
Can't see them anymore... I can't hear their voices...
In a place where I always felt strong, now there's a hole
A 'space' that lets in fear and stress
Somewhere along the way he's filled up that gap for me.
Shima-san!



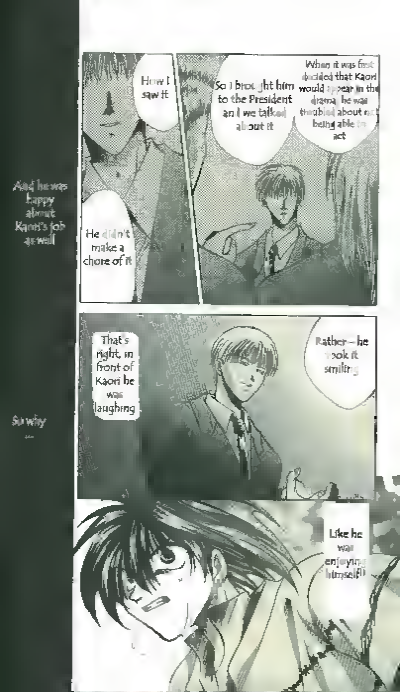
Just then didn't you say La Tour?
?
When the Iron Mask was putting the criminal behind the bars...
That was what he was calling himself
Yeah ? do you know something about it...?
Kaori got taken by that La Tour
That's why I thought that guy was you!
You have that mask don't you?
What ?!
The mask was actually on a box in the stage's side wing...
Does somebody have it?
Ellison doesn't wear No the mask I've not much during idea practice
What the!? It's not there !!
Hey does anyone know?!
Oi..
You were the only one to see the Iron Mask guy you know? Did you not see anything?

...Yeah
If it's the pool it recently got cleaned and there's no water
Let's hurry!
I'll go myself so stay here and clean that wound up
I can't
I need to see myself that he's alright
Or I'll be...
Just leave it...
Shima-san!
How'd you get that wound!!
I just can't!
Crushed under anxiety

Even if you say that...
It wasn't a coincidence that the drain and keys elements were used. I doubt
That the music was easy and placed really just for the taking would also be because of an insider
Where is the president?
No way ...is it the president? The one who sent the intimidating letter is...!
What? Now you mention it, I was thinking he wasn't around
At any rate if it's him he probably knew that I met Kaori-
Toumasu asked Kaori who I was but...!!
That's right... when we first met he was already calling me by name...
!!
Have you seen him like that... SHIMA-KUN?

He already knew me!!
Eh yeah
For Kaori's performance
Toumasu Didn't you say that the president re-wrote the part for the Iron Mask?!
The other one was Noah's Ark
The president said he'd written two parts
Jehova is in the Old Testement and
Jehova
And in the play there's a phrase Jehova isn't there!!
it's the name of the God that caused the Great Flood!
It was a pity you couldn't play it
So nowhere where you could replicate the Great Flood
The Pool!
The Great Flood ...!?
That isn't La Tour though
That's Noah's ark!
Noah ...?

Kaori so often spoke so much about you so I always wondered what kind of person you were
The reason you barked at me before
Was because Kaori was gone
-That's right
The one who's always watching me from behind
I'm glad
Alright this will do
That you're Shima-san
Is Kaori
still can't figure out why the president would do all this stuff
but
thanks



And he was happy about Kaori's job as well
He didn't make a chore of it
How I saw it
So I brought him to the President an I we talked about it
When it was first decided that Kaori would appear in the drama, he was troubled about not being able to act
Rather – he took it smiling
That's right, in front of Kaori he was laughing
So why ...
Like he was enjoying himself!!

Uh...
Hah hah hah
Hah hah hah
Hah hah hah

Where
The pool...!!
There's something I'm stuck!
What on earth is happening?
Wah!

What?
Seriously a chain
It won't come off
Kak-
senpai
Hey Kaori-kun
Is going to die here.

It's you
Hello there
Kaori
Jehova's decision has been made!
Wha -U

That's the thing
He can't
His leg has been chained and locked down
Then the water
It's unfortunate, but the control panel has been broken
Are you hurt? You're alright then?
C'mon hurry up and get out
Kaon!!
Shima-san!!

Ah Shima-san wait –
A sec –
Of course !! The hairpin!
I'll open the lock
Shi-ma-san!
What're you saying you're hurt
Alright
This is it

But really Kaori-kun It's that I couldn't forgive that you declined the part for the play
You're a funny one
Do you really think I'll answer that just because you demand it?
I tried to open it too but I couldn't at all
Fuck It's a number lock. !!
Hey you-!! Tell me the number you prick!
Tommaru! get something to break it with!
Got it!
Senpai what's your reason for this-
And then I couldn't just give up
Your last will be an act dictated by me- I thought
But now you don't come to school often because of work.
Do you remember ? The first time we met you were very dependant on me.
I love that

What selfish fool's dream are you blathering
Are you a kid...?
This can also be your fault
Shima kun
Because Kaori kun talks so well about you
What?
I wanted to meet you once and deliver you punishment
I can't forgive it, that he talks about someone other than me
And I wondered what kind of person you were and you don't suit at all
To be with my beloved Kaori-kun
So I decided
If I'm going to lose him to you I might as well kill him
You are very self centred

You have only thought of yourself. A person like you will never understand Shima-san's worth now.
You don't even understand Kaori
Kaori trusted and relied on you.
Even now, he knows that his acting skills and performance were credited to you
You re-Kyou?!
Yes
It seems that this assault was too much for him
Anyhow Shima-san, it's fairly hard to breathe.
Might as well climb the length of the chain
Yes
If only it'll hurry up n end then we can go and have lunch
Yes
Yes
Yeah

At any rate, something has to be done about the chain
Maybe with that
Shit, the wound's open
Surely not with something like that!?
You can't

Days of jealousy? The unrest of being unable to own Kaori!
Or is it–
Blood!
From back then – ?
The truth is you re just scared, aren t you
But it isn't, is it
About whether you really can just go ahead and kill him
Simply his life?!
The tooth broke– can t ifter all!
Hey you
What were you trying to finish by killing Kaori here?
When I saw–
Ready every thing to save him!
Tra– why you used a number lock to

I don t want to lose any more
People I care about
He had a place to Don t takeexist out- that from side work him after all this
I felt really relieved
Kaori at school having fun laughing with Toumasu and you.
Kaori!!
Year 600, July the 17th
The day the flood ended

I'm sorry Kaori-kun...
Ah
If there's something you want to say you can just say it to begin with
But you involved Shima-san like this and now he's hurt...
I can't reply something that will satisfy you but
Until now you've looked out for me and I'm grateful for it

Here here, Shima-san you can stop crying now
I'm angry coz you suddenly went and hid inside Kyou-!!
Whoa !!
I'm not crying
It's decided that dinner will be on Kaori-chan
Eh.
Oh me too me too!
Why Eboshi as well?

よろずやとうかいどうほんぽ

Whoa-
Excuse me...
Are you the people from Yoroz zuya Toutaidou Honpo?
Yes, Shima Yoshitsune a-
Am I right that you are Kyousan the 2-motel
Kaori Suruga
Today is a separate business
Kind of gloomy guy
Maybe he's an attendant
Come in I'll show you the way

What're you lazing about for
You there
Where's Hiroto Kurayashi the one who sent the requests?
Today is her announcement party for her engagement and she's preparing for it
Hurry up and get ready!
Ah that is
Really who's the lucky man?
Really, what a dismal child
Forgive me
She's a beauty but not very nice...
She reminds me of that famous actress

It's being combined with the Christmas Party
No, that was the lady's aunt.
No way was that Hotori!
This is the party room
I see...
Ah--!!
Eh?
I was called in.
What brings you to a place like this?
It's the real thing isn't it?
It's Kyou!
You're joking--!!
This is the real thing
Hotori-chan these are the two from Yorozuya

Who's the shorty!
He...
Hey...
Calling me a brat! That's so rude!!
They're the same.
This attendant said Hotori was engaged so I thought at least older than 16.
That's not an attendant, that's a fiancé!
This person is my fiancée, Shouhei Hyuuga!!
Wha...
Dad and Shouhei's father are old friends
Seriously
Just deciding a kid's future like that...
Hot
Or!
The reason you requested me. It's not something like you want me to break up the engagement?
No!

What? Do you know him?
APP...!?
I want you to find the person called APP
"All Purpose"
People in the same business know each other first hand
So the owner of this website is...
A whatever place that's just shown up around on the net recently...
He hasn't made a homepage yet but he comes out every so often in the chats and BBS and advertises
It's not guaranteed that he really is though
I'm a fan of that book!
And it's written that APP looks like Kyou
But he wasn't a brat like you though
APP is also known to be the title of a best-selling book
Now you mention it, I saw Yukinobu reading that
And when he's made an impact in my business too
He's made an impact in my business too
Yukinobu is Kyou's manager

When the illumination of the balcony broke off while ago and I almost fell
Not too loudly but it looks as if somebody is after Hotori-chan!
It sounds almost like Hotori-chan met him
You little
I want to say thanks properly for that time
You speak quietly anyway
I happened to be rescued by him once during a crisis
No, it's alright
Oh don't force APP's person onto Hyuuga
So sorry
Shuuhei-san should be a little more confident too like him
He was a little high mannered and proud but you couldn't hate him
So a person like APP who solves everything is what I strive to be like
I don't really have anything that makes me shine

I like those parts about you
I do
The book that Shuuhei-san wrote was very interesting
And you never leave behind someone who needs help
That's not so
Te.. Tetsurou
I've been looking for you
Hotori-chan
Hrm... she's got some good points too
She knows Hyuuga well.

Hey
Oi
Hyuuga
Don't you think I would better suit you by far~!
It must be hard, having an arrangement because of your father
Hey
And the it's to that un focused doofus
Your father really has no taste
Tetsurou!
People like that
Just leave him
Shuu hei san

You can slander someone else?
And besides, are you really that great a person that
Do you suppose you could not touch my princess?
SLAP!
...uh
Right?
Hmph
By the way who was that just now?
My cousin
That guy...he never sees me as a person at all
And it's not just him
because I'm dad's daughter all I get is pamper
I could understand that

I wanted Kaori to be important to someone
There was a time I felt as if the person Kaori Suruga was disappearing
People see me only as the model Kyou
When we first met I asked him are you after the money?
And he said Let's break the engagement then
You should pick your future for yourself
Your future isn't your father's thing
It's a common phrase but
Said it Shuuhei-san looking me in the eye
And that he wants to become a writer anyway and won't be able to continue the hospital
So call me saint already!!
Yes!! Yes that's right
But Shuuhei-san he saw me as myself

Oi!
Could also be to wake Shuuhei-san up
Without saying any thing back...
Can make a fuss!!
The reason why I want to meet APF
Shuuhei-san isn't as bad as you think
Didn't I told already tell you your good points!
Firstly stop with that phrase
Ar...M
Well... it was the truth
But that's what makes it hard
Even though she has a bad mouth
That lady was the first person to even compliment me like that

There is nothing
Stop bringing up an imaginary person!
A man who that lady deserves is someone like APP
That lady is bright and firm and is bound to become a great woman
To admire in a person like me
Is it really alright for the one who stands beside her to be me!
So I can't just not think about it
Ugh-
It's almost terrible
Kaori-kun – it suits Shima-san a you, I dress would chew it more would!
Perhaps for suiting?
You're not that cute after all
Yes
My lady, it's almost time

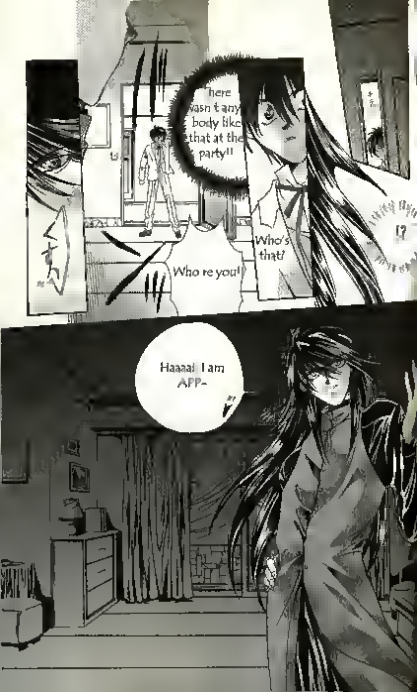
Ladies and
I would like to express my heartfelt gratitude to everyone here today for coming to this party during busy times
As it goes, the engagement for my daughter Hotori and my good friend Hyuuga-kun's son Shuuhei has been decided
And in that
Wha
Bestow upon Hotori the entire inheritance
How lame. This is the stuff the principal
take the opportunity to -
Quiet But as please Hotori is still young
For that, I entrust the fortune also to Shuuhei kun who is of age
What could he
No matter what that is too -

There's a window open
Must've come through there
Ahh –
Uh huh
It's becoming a fray
Like I told you brother
Nobody was there! by that
What a pigeon...!!
Hotori!!!

That targeting Hoton thing
Shima san this
Y yes
You alright?!
The latch was lose
When the pigeon sat on the chandelier it broke
Ahh...
The pigeon's disappeared somewhere too
Hyuuga?

What's wrong Tetsurou-kun?
Your complexion looks pale
Kaori-chan wait here for a sec
Ah
What? Yeah
Everyone please calm down the party will continue after a moment
The chandelier needs to be cleaned
Check the other ones are secure
I saw him that guy
Hyuuga he was walking through the estate, examining it
is that true
Hotori-chan
But wait from this position Hyuuga himself was at risk as well
Is that so

Hoto..
I'm going to find out
Even if he sought after uncle wouldn't be
Hyuuga gets the inheritance from the will
You're a little loud kid
Even though Tesuruu is elder
I'm going to ask him in person!!
What do you mean..?!
He didn't look like he sought after the inheritance
Him?
He was putting something in his pocket before
This Hyuuga
Just for what would Hyuuga regret Hoto!!...
Destroyin the evidance maybe!
I've lost Urgh sight of him



here wasn't any body like that at the party!!
Who's that?
Who re you!!
Haaaa! I am AFP-

You! Come along with me for a second
Eh
...Then this'll be quick
Ah! so he is like Kaori-chan
Wha-
APP!!
Someone like that sent in a request to see you
Just-- go with me
Not!
Per-vert!
By the way Shima-san have you noticed?
What?
You're that Shima-san from Yoro-zuya!!
Wow-- I always wanted to meet you once --
Yeah
And that they knew the three would be standing in that spot at that time means an inside source
That chandelier wasn't an accident
I'm hou-sework

What?
I've already figured it all out
And thinking about the contents of the will inclines me to suspect a relative
It's somebody who knew the contents of the old man's will
Do you want a hint?
You're lying
Sen...
Hmm— that's strange I'm sure I saw somebody
Hey
And that before it was announced
It's your friend and Hoton

Shauhei-san!! is that you?
You idiot! No!
Shit
Wa-
Wha

Hotori
To jump from the second floor
Too slow...
What's this already K.O?
You show-off
I'm sorry I'm late
APP is now here
O they're actually doing the drama
APP why why are you here...

Then the reason that Hyuuga was examining the estate
Hyuuga did...?
For inspection
I was requested by Shuuhe Hyuuga to protect you
Just then there was a pigeon treat on the chandelier he brought to
...me
won't Shuuhe-san act for himself
He should just protect me himself
And I've given you the hint already you can figure out the rest can't you Shima-kun?
Why
This man with the sunglasses in an accomplice
Hm?

!
And even though he protected me before
Relying on someone else it's not fair!
Oh...
Wha
What's wrong!!
.....

Did I... say something wrong?
He went
Hey
Ah Shima-san
Eh?
Actually that might have been good for him
Ugh...
No tell me--
I'm sorry?
But it's well done
Because that, for me is Kyou
No nothing

Was it Hotori's words that made you cry?
Yo
Daah!
Or rather
That the contacts don't quite fit!
Hyuuga Shauhei-kun?

It was the same gesture Ryuuga did to fix his glasses
It seemed to me, when you brought your finger to your forehead
I thought so
How How d u you
But you managed to change well
In the contrary the disguise and acting Kaori might've seen through
But that that was it
It's like when I m in that guise I feel like someone else and it gives me courage
Stoooop
I gain confidence, like the API from the book I love

All this, it's just a form of running away
Like you there's nothing much I have to be proud of
But I have confidence
And at Yorozuya, I put all those things on and just run in
Sometimes I get lose, thinking is it really alright like this? but
Confidence is to believe in yourself - your strength your worth the way you think
Do you know?

The reason Hoton was t e- lighted even when you ran as APP
Was probably because she was looking for a per- son somebody else
Hoton isn t asking for APP from you
When the other person s last face is a smile or a thanks
Everything I ran for feels like t'd worth it
Hyuuga Shuuhei who you said had no confidence
The girl yo liked has left out the con fident APP and chose you
If that s not the greatest honour what is?

Kaori-kun!! Are you alright!?
Wai... let me go I said!
.....
He suddenly goes on about giving the whole fortune to his daughter-
It's a nuisance to us
You dirty bas
Hold the grudge for this against your father
You're in the way!!
So you'll kill her?

You blabber around alot
And you weren't very good at treating girls so I knew straight away
Ugh
You've been talking alot since the beginning
You're the type that self destructs as soon as they're pursued
You see them every now and then
Yeah
You're just the worst
And bringing out something dangerous like that
Oh I know

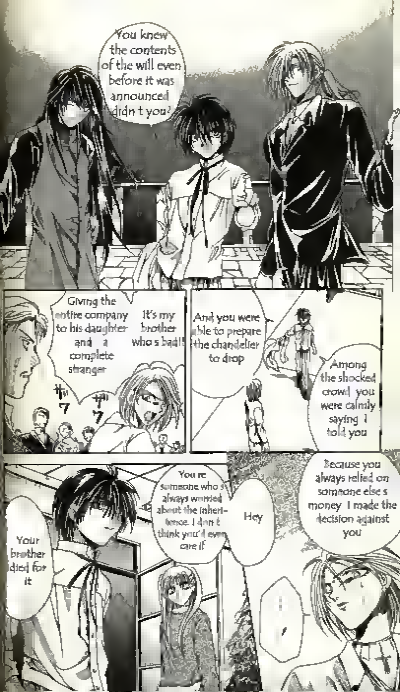
Ba stard
Let's play it! an eye for an eye
ガッ
ピタッ
See? It doesn't feel very good, does it?
Kaori!? Stop!

Eh! Shima-san!
Shit!
What! Don't let go of him..!!
What're you doing?
Something so dangerous
I was just scanning him
Dan ger ous--
APP!!
Haton

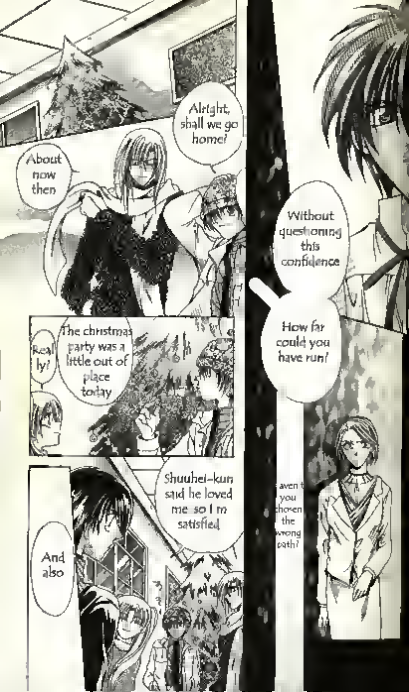
I'm sorry!!
What I said hurt your feelings
Coz when I say something I always say it without thinking and
I must've hurt Shuuhei -san too
You must be thinking so badly of me
no
I couldn't because I
Lo
Shima

Hoto -H
Request fulfilled
What -
APP is Shuubei san?
Ye Ye
Yes.
We well
You were saying?
Um...
Ah
It's
It's ove
Say it together!!
...
...
Jeez
Ok, now what do we do with this guy

A lot of things happened
But everything's alright now
Where've you been
I was beginning to worry
Hotori
Dad!!
//
Isn't it? Aunty
Your boyfriend told us everything
Though I thought you were suspicious before anyway
O... ow...
Wh what're you



You knew the contents of the will even before it was announced didn't you?
Giving the entire company to his daughter and a complete stranger
It's my brother who's bad!
And you were able to prepare the chandelier to drop
Among the shocked crowd you were calmly saying I told you
Because you always relied on someone else's money I made the decision against you
Hey
You're someone who's always worried about the inheritance. I don't think you'd even care if
Your brother died for it



Alright, shall we go home?
About now then
Without questioning this confidence
How far could you have run?
The christmas party was a little out of place today
Really?
Shuuhei-kun said he loved me so I'm satisfied
And also
aven't you chosen the wrong path?

I was able to meet Shima-san and Kaori-kun
All of a sudden you became cute
You have to leave a good first impression
You're a
What're you saying Hyuuga
This time round I've made a debt to you
You were the one who solved it all first
Just then didn't that have a little of "APP" in it?
yeah..
I'm going to continue "APP" so
I will return the debt to you

—よろず屋東海道本舗・5—

What're you having today?
Ha ha ha! no way~
Are we really going in there?
Kaori!
!
well the client's in there isn't he? Shima san?
Um maybe I'll have a creme brulee
in this pastry shop?
its surrounded by girls

Yo
Shima-san let's go
Sweet
Is she angry ?
Huh Seriously ?
He him you know from part
That girl
Nice isn't it? So pretty
It's just not a place for two guys to come
Yo there!!
Shima-kun Kaori-chan

Hyuuga!!
Whaaaaa aaaaat!
no no..no
Eh?
It's API remember!
I recieved a job request
What're you doing here?
I see you're just as meaningless as always

Whaaaat!?
are you trying to take us out of business?
It's not my fault
Maybe Shima-kun wasn't dependable enough?
What did you say?
sh
Shima kun give it back
try saying it as Hyuuga
!!
so you still can't do anything unless you're in distress
some-thing like that

Looking down
As for when I pay it back.
Yes. I'm grateful you helped set things right with my lady hurt.
I'll decide.
besides don't you still owe me a debt
Are you the people from Yonezuya Tsukadani Hospital
Here here Shima-san there's cake here
Spy WHAT!!
Nice to meet you
If you feed him he calms down
a pet!

I'm Yoshitsune Shima
Ah, that Kouri Sumiga
Haru Tanabe
I'm Sweet's parfait-sister
Just?
I'm sorry Just...
You send a request to APR as well?
You were both an anything trade so I just sent requests to both
Oh you
So then let's hear the reason for the request

I want you to catch the devil hair cutter
Hair...!
Yes, the girls from the Shiran high school near here are being harassed
At first he was just haunting the back gate of the school
but just recently there was a victim outside the main gate
yeah
the crime scene
It's occurring near here!
I can't forgive him
She had such beautiful hair and looked good in a pony tail
E E

So yeah that's how t is
H... how!
Tanabe-san,you like her don t you
Eek!!
The reason I've been loosing customers because of it as well is for that
Because you talked just about her so nicely
here's your tea
Okay I m on
but I ve got a prier commitment in my schedule to enter in a cake competition nearby
I actually want to take action myself
I m on
Then how about the one who catches him receives the payment
Dont wanna
This is it isn t it? where you return the debt!

Oh! This'll be interesting
It's your specialty
Female disguise
It is not!!
So how do we do this? By this pattern I think using hair is one way to go
Yeah
Then we better get the wig
Kaori-chan I'm sorry
Leave the uniform to me
My sister had been a student at Shiran
Hey! Isn't that
That's Kyona the model isn't it!
Okay so we'll be going then
We'll start the operation from tomorrow

Tsuda-san
That girl
What's wrong?
This pace isn't easy
Huh?
She's still there
!!

Hello
You have some strange customers today
Isn't that a celebrity!
Won't you come in too!
Eh!
Ah...
I'm sorry I've got club activities now
Later then
Was that the girl you like just then?
Tanabe-san

She came inside just once.
She often stands in front of the shop and I invited her to many times
Try
Yes
Her name's Miyuki Tsuda
Go ahead and try some
It's pretty
She praised my cakes but

I did something to make her dislike me
I've invited her in many times since but she's never come in
She never tasted any
Maybe my cake didn't look that appetizing
Or perhaps

Yeah
the expression on the girl's face before
It could be taken like that
And while I say that I still keep hoping
That I could make a cake for her once more
And watch her enjoy it

O.
Let's go
トトトッ
Today's wig is straight
Man that's scary
He's seriously a girl
Hey hey hey
What's under here?
Shorts
がばっ

*Translation contribution
—they were actually saying
yaoi
*Ya
whatever
Okay.
I'm going
to go
around
the
school
I'll leave
the train
station and
shoes to
you
So
I'll leave it
to you then
This is the
back gate
...
I think
but
look
at
this
In the
closing
hours
there're
hardly
any
people
around
Perfect
conditions for
crime
basically

Wha...!
!?
Move
You're standing on my money
I dropped my change everywhere
Here
Thanks
Scared me
I thought it was the devil guy

!!
Geez
It is you!!
hee hee
!

Ow
Oh no—
Did I hit you—!
Eh heh
How Scary! Did you hear that! He goes "Eh heh"
Oh were you there?
Because there was a racket
And now the reward's all ours

That bastard!
AH-!!
Oi! You!!
No no no
It's my turn now
I was so stupid. I shoulda done better
Oh well
Wait for me in front of Sweet! I'll be back with the original
SWEETS

Oh dear
but we reached the main gate!
where the hell did he go?
He wouldn't have gone inside would he?
Mi-yuki Tsuda
What're you doing here?
Eh?
You were at Sweet yesterday
Yeah
So you're in the kendo club!
And who're you? What're you do-ing?
Oh yeah
Yeah

That devil hair cutter who got you
Did he come here?
Eh?
Is he here? Even though it's the main gate!

never mind
but come with me a little

No he came out at the back gate!
but weren't you attatcked at the main gate!
"
ギク

oh yeah

……

You mean the bait operation failed?
Well he was quite a handful
What about your Kendoi Did that get through to him?
Ah

Eh?
Knife?
I couldn't do anything
When I saw the knife I got scared
Oh is everyone back already?
Why's Tsuda-san..?
Were you attacked again?
No
No!! I wasn't!!

I
I've got no reason for Tanabe-san to be worried about me
Miyu
That is
Impossible
The devil's weapon wasn't a knife
It was scissors

So Miyuki wasn't attacked by the devil?
Probably not
APP!!
Yes Shima-san!
Have you noticed?
Where's Asumi working
Have you noticed?
You mean the lie?
What's this then! A rare moment of little confidence?
Yeah Coz I don't know the reason

Huh?
I've made your meals
Just for you then
Hm?
He doesn't want to lose to me
Said he wanted to speak to some more victims
Shima-san's gone already
A concourse type meal
Ah?
okay
I see
So that's why
A little different to what you usually have

Then I'll go find him
thankou~
He told me to pass that on to you
Eh? Come to Shiran High?
I'll just take the same route as yesterday
Swish
Kyau
Miyu-ki-san
KIRIN

Going home!
Yeah, since the club's over
Alright then it'll be on me
Huh?
That bitterness is what's good
Hm
That coffee looks nice
Could it be! Miyuuki-san
Thankyou~
He's coming this way
What's with that guy?

ガシッ
ヤキ
Kyou!!
Yeah he is really suspicious
ガシッ

Are you okay!
My hair !!
Ah
Yeah, I'm not losing any series work right now
Are you boyfriend of that girl yesterday!
Just coz your face is pretty don't get so conceited
That's not the point!!

ドカ
That's you!!
Cutting Kaori's hair like that
Geez
スッ
Shi...!!
when did you get here?

Leave it that's enough
Stop right there
Oh!!
When it comes to yourself you're too mellow Kasuya
You don't need to get so angry it's too much
You tried to pick up some girls from Shiran High didn't you?
All the victims were saying
that the flirt and the devil were similar
because
all the girls said I looked stupid
As long as it's a girl from Shiran High then I don't care
I just wanna get them back

Fine, but apologise to Miyuki-san
I hate people like you who re so popular with girls
I don t know any girl like her
Seriously you
Kaori-chan this is probably true
Miyuki
You cut your hair yourself didn t you?
The reason is because you like Haru Tanabe
So
Ah

I'm sorry!!
Me, I
I like watching the way Tanabe-san works so hard
So I
I wanted to get much much closer to watch
When I learnt that Tanabe-san was worried about the victims
I felt really envious and then I just lied
But because your route home is the main gate
The story just became that the devil hair cutter went there too

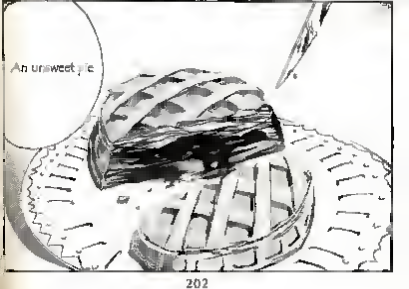
I only wanted to get closer to him
Tsuda-san
When I heard that the Sweet customers had fallen
I just... I just
I felt so bad
That's...
Because of this isn't it?
Tanabe-san has already given you a cue in
Is that shop's door that heavy?

Canned coffee?
COFF
The reason
Exactly I've just always been like this
Once before, when I went into the shop I couldn't eat the cake
If you tell a lie once
Eventually it starts to build
Flack!!
You don't like sweet things?!
I think I hurt him
Then you just keep digging a hole, and deeper
And then you can't get out

Hey!
You need to clean it up once and for all
Yeah
I'm going to go appologise
Hold it

Shima-kun this time I'll give the victory to Yorozuya
I'll send a message to Tanahe-san
You better leave that till tomorrow
And since Kaori-chan lost his hair as well
Well for now
Welcome in
Right this way please
I've cooked a pie
?

I made this for you
The coffee is black, right?
Uh
Um... I...
カタン



An unsweet pie

Try it out
~Yes
Tanabe-san bi- been feeling a haunch That she doesn't like sweet things
So that's why you gave the victory over
We've been beaten
So the theme of the cake entering the contest, is an unsweet cake
So basically a cake made for her
The performance side is APP's win
of course
Don't praise the enemy!!

Next time we meet
I don't plan to keep working for free
This time's my treat
Soo ya later!
Ugh...
I'll win for sure
Next time I'll make a perfect win!!
Hee hee
I'll buy you a cake
Okie dokie
